ANACOSTIA BRICK PLANT TO BE SOLD

Works in Good Hope Road, Opposite German Orphan Asylum,
Will Be Disposed of at Auction on Tuesday—Officers
to Devote Attention to Other Lines.

WASHINGTON TIMES BUREAU,
ANACOSTIA, D. C., JULY 12.

The new Anacostia Brick Company will sell its plant in Good Hope road opposite the German Orphan Asylum at public auction next Tuesday morning. The men who have been concerned with the management of an industry started in Anacostia fourteen years ago have decided to retire because each has other interests. The plant includes machinery valued at more than \$35,000 and forty acres of land.

This is the only brick works located in this section. Experts declare that the deposits of clay are of a superior grade. Between sixty and seventy men have been employed.

Officers of the company are: Dr. R. A. Pyles, president; William Selby, vice president; Adolphus Gude, treasurer; Harry E. Beck, secretary.

The Engineer Band will give its next concert Tuesday night at the Federal Musician George A. Wintermyer has arranged the following program: March, "The Gladiator," Sousa; overture, "Light Cavalry," Suppe; waltz, "My Queen," Buraloss; potpourri from "Martha," with "The Last Rose of Summer" as grand finale, by request; Flotow; sailor song, "Larboard Watch," for two cornets; Williams; grand medley, "A Day in Boston," Claus; selection, "The Duchess," Herbert; medley march, "Good Night Nurse," Walker; closing number, "The Star-Spangled Banner."

The Government probably will be saved some of the money it intended to expend on project No. 1 in the reclamation of the Anacostia delta through the foresight of the Anacostia Citizens' Association. When appropriations were made by Congress for sea wall and pumping, no thought was given to the little spot at the entrance to Anacostia just east of the bridge, where the Anacostia Citizens' Association has induced the Commissioners to permit material to be hauled from the city to fill in a few marshes. Now, however, an interesting race is going on between the Government and the Association as to which will get the Anacostia delta filled in first.

Adolphus Gude and William F. Gude, the artists, are enlarging their green houses here by the erection in Bladens-

burg road of three hot-houses, measuring 20x35 feet.

Because of the numerous cases reported in the suburbs of people being attacked by dogs and the complaints about unmuzzled dogs that have been frequent, Anacostia and vicinity has been given an increased pound service.

River front gatherings along the Anacostia river have been interfered with by the new excise law. Each Sunday some club has assembled its members in shady nooks, and the men have engaged in outdoor sports and beverages of one kind or another have been enjoyed in moderation. All this has been done away with by the law.

Mrs. J. F. Reagan and Miss Alice Reagan, her niece, have gone to Atlantic City for several weeks.

The lure of salt water and beaches drew large throngs of vacationists today. The Three Rivers, touching at points on the lower river and at Baltimore had a full list of passengers, and the Norfolk boat was crowded to capacity.

The steamer St. Johns on its trip today and yesterday afternoon did big business.

The steam yacht Cecilia made the down-river trip today with a party of twenty. Among the guests were the other private vessels taking the over Sunday vacation are the Duval, the Focantico, the Kanisad, and the Somerset.
